SAN AUGUSTINE HOSP DIST	-0-	7,500	-0-

For school tax purposes, the over 65, disability, surviving spouse and 100% disabled veterans residential homestead exemptions create a tax ceiling prohibiting increased taxes on the homestead on existing buildings. (Any new areas added to the home site will cause the ceiling to be readjusted and set in the subsequent tax year.)

All homeowners who qualify for the residential homestead exemption are subject to the placement of a homestead cap on their qualifying property which prohibits the increase of taxable value on the homestead property to ten percent per year. However, the market value may still be reflective of the local real estate market.

DISABLED VETERANS

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability, disabled veterans are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veterans Affairs. Current exemptions amounts, based upon these ratings, are:

DISABILITY PERCENTAGE	EXEMPTION AMOUNT
10-29%	5,000
30-49%	7,500
50-69%	10,000
70-100%	12,000
